DISTRICT REPRESENTATIVE REPORT

Happy New Year District 12. It is the beginning of a new three-year term also known as Panel 64. I would like to express my utmost gratitude for all the outgoing District officers and coordinators as well as the many Group Representatives for all your outstanding service work these past three years. A special thank you to Lynn S. for her commitment as District Representative (DR). I look forward to serving the district as your new DR and all the opportunity for growth and recovery it has to offer. I have assembled a fabulous team of hard-working trusted servants, and we are going to accomplish many great achievements this term.

We had our first District Meeting and transition meeting, January 20. Former officers, coordinators, and Group Representatives (GR) attended along with their newly elected counterparts to "pass the torch". The new GRs were given forms to create a new GR packet or update an old one. We greeted some new friends and welcomed back some long-time (not old) ones. We have a busy year ahead and even more events in the future. Stay tuned.

One exciting endeavor happening soon is the establishment of our own website just for this area. Thanks to Janice A and her work with San Antonio Al-Anon Information Service (SAAIS) we should have a combined site for both organizations up and running soon. It will be a tremendous boost to our communication and keeping everyone informed while enhancing our recovery efforts.

Our newly elected delegate Anna A. will be attending her first World Service Conference (WSC) April 17-21 in Virginia Beach, Virginia, home of the Al-Anon World Service Office (WSO). The theme for the conference this year is "Our Path Towards Grace, Unity and Understanding". If you would like to send her cards, letters, gift cards or if your group wants to send love gifts please read in The Beacon for addresses and instructions on where and when.

I hope to see you all at the All Texas Al-Anon Alateen Conference February 9-11. It is a great experience and this year it is just right up the road in Pflugerville.

Our next District Meeting will be April 20. We will be preparing for the Spring Assembly in Longview. We still have two district coordinators positions available, Public Outreach Coordinator and Archives Coordinator. Please consider serving your district in either one of these positions. ALTERNATE DISTRICT REPRESENTATIVE REPORT

We got the new year off with great success.

We are all very grateful for Patti W.'s willingness to serve as our District Representative.

Lots of exciting things are on the horizon and just want to wish everyone good health, happy times, good relationships and great progress in recovery and service.

A couple items of note:

- We are jointly moving towards being able to launch a website for our District and San Antonio Al-Anon Information Services. The game plan is to go live the first of March and be available to new and current members. The intent is to be a place to gather and share information. We are hoping it will build a stronger community and connection. Certainly, more details to follow. We hope it to be a point of attraction and engagement.
- We are also excited to be able to put the Serenity Celebration, once again, on the calendar – Sunday Sept. 8th. More details to follow as well. Candy N. has graciously offered to be the chair of the event and we are looking for volunteers to assist. If interested just email avalemeida71@outlook.com or saais@yahoo.com.

Thanks for all each of you do to make this an outstanding community.

Janice A.

ALATEEN REPORT

The Al-Anon Member Involved in Alateen Service (AMIAS) annual recertification officially opened January 11, 2024. Current AMIASs will need to attend recertification training and renew your background check if your AMIAS certification was issued before January 11, 2024.

The Texas East Area Assembly voted to cover the charges for all background checks. That fee is no longer needed to be a line item on the district budget.

As an area trainer for AMIAS certification and recertification I am offering to facilitate an in-person training session. The area deadline for our paperwork to be turned in to the Area Alateen Process Person, Sylvia M., is June 1, 2024. We have time to find a location and hold a good recertification session. Remember AMIAS Certification can be done any time during the year, but it is a different training since it is the initial training.

Program of Sponsors Sharing Everything (POSSE) will be held in Gonzales, TX at the Disciple Oaks Camp & Retreat Center March 15-17, 2024. The POSSE weekend will split in two ways to attend. The Area Alateen Coordinator, Dirk M., sent the flyer and registration forms out this past week. This weekend will be an opportunity to attend the Saturday 7 one-hour discussions facilitated by different AMIASs. Registrations must be postmarked no later than March 1, 2024.

Note: there will be no AMIAS Certification Training at POSSE.

In Alateen Service,
Lynn St.

LITERATURE COORDINATOR

Happy New Year and Happy New You!

I am sending some notes from the end of the year from both our Forum Coordinator Carol Cowan Magazine Editor for The Forum and the WSO

From The Forum:

The December issue marked a milestone in our collective efforts to make the submission process more inclusive of our Spanish- and French-speaking members: it included two sharings that were submitted in Spanish and one sharing submitted in French! It is very exciting to see that the number of sharings received in Spanish and French (accompanied by English translations, of course) continues to grow!

The January issue also marks the first in which we celebrate the 70th anniversary of The Forum (which we will be doing throughout 2024) with a special cover emblem and a selection of reprints and historic tidbits on the center pages. I hope you enjoy this special recognition of The Forum's long history and that you will draw attention to it through the links of service and in the groups you attend.

The Forum is still looking for sharings on having a Sponsor in a different location, where communication takes place electronically. Yes, the telephone counts. And either perspective- Sponsor or sponsee-is welcome. Please note that this is a different and separate request from the CAL piece on Sponsorship and Service Sponsorship that has been approved for development by the World Service Conference, which has been posted about on the Literature Coordinators discussion

board. A specific writing guideline is being created for that, and it will be shared with the Literature Coordinators when it is ready.

Greetings from your World Service Office.

Thanks for your questions regarding clarification between recovery literature (CAL) and service tools, including outreach pieces. CAL and service tools differ in purpose and in the process for their development, as described recovery through service, whereas the focus on service tools is to assist members in conducting service.

For an example of the difference between the two, when I Got Busy, I Got Better (P-78) is a CAL booklet about how doing service helps us with our recovery. Attracting and Cooperating (S-40) is a service piece that explains how to keep within the Traditions while working with the media and professionals. Those service tools intended to attract potential members to the program are referred to as outreach pieces and are usually initiated by the Public Outreach Committee. The CAL pieces share members' personal recovery stories, while the outreach tools let people know what Al-Anon is. CAL includes the CAL logo, accompanied by the words "Approved by World Service Conference Al-Anon Family Groups."

Thanks for all you do for Al-Anon, and best wishes for continued peace and serenity in the Al-Anon program.

Yours in service,

Tom Coffey

Associate Director--Literature

As a side note Tom Coffey will be retiring in March. He will be missed!

SAAIS UPDATE

Tony A., as presiding officer, called the regular quarterly business meeting of the San Antonio Al-Anon Information Service to order at 9:07 AM on October 21, 2023, at the Winners Club, 5413 Bandera Rd., Ste 406, San Antonio, Texas 78240.

Roll Call: Voting Members: 8 Majority: 5

Approval of Minutes: Upon motion of Rosie M., seconded by Kermit R., the minutes of the last meeting, July 15, 2023, were approved as presented.

Reports:

Treasurer's Report-Kermit R.

Kermit R. reported that the total checking and savings account balance was \$10,196.44 on September 30, 2023. SAAIS Group Contributions totaled \$1,960.18 through September 30, 2023.

The Dessert Auction held at the Serenity Celebration had receipts of \$3,109.00. The Treasurer's report was filed for audit.

Zoom Account-Janice A.

Janice A. reported that two Zoom meetings were held in September. One meeting was to discuss the feasibility of creating a SAAIS website. The other meeting was a recap of the Serenity Celebration.

AWSC Liaison-Dolores W.

No Report

Monthly Speaker Meeting Coordinator-Mary H.

Mary H. reported that she is leaving this position at the end of the year, but she has left the position well positioned to begin the new year, having booked speakers for the meetings through March 2024.

Answering Service-Lucy R.

Lucy R. reported that the number of calls was slow. She has received several non-urgent calls about a variety of topics such as finding Zoom meetings in Spanish, how to get a particular bookmark, and finding a Facebook page in Portuguese.

Website Coordinator-Lynn St.

Lynn St. reported that she is continuing to train with Janice A. to update changes to Group meetings on a timely basis to the website. She reported that there are no problems at the present time.

Lynn S. and Mary H. reported that 189 people attended the Serenity Celebration. Group Representatives got the word out and sold tickets effectively. Some comments and criticisms included:

- Driving distance was an issue for some guests.
- The event ended too late and resulted in driving home after dark.
- Overall, the response to the event was positive. Most guests enjoyed the speakers, the Cana Ballroom venue, and the Dessert Auction.
- Additional feedback was solicited from attendees, and a survey was created to obtain additional feedback on the Serenity Celebration.
- Points to consider for keeping the Serenity Celebration sustainable in the future include:
 - The event requires an upfront commitment for a substantial investment, so there needs to be assurance there is broad support for the event.
 - There needs to be support among the groups in the district, particularly the large groups, to support the event financially and with volunteers.
 - An established Serenity Celebration committee should be in place by January each year to effectively plan the event.
 - Finding speakers is the most difficult task in planning the event and requires a long lead time.

Item for Discussion

Creating an SAAIS website

Tony A. reported that he has a volunteer who is helping to develop a template for a website to serve the SAAIS and District 12. The website would be password protected and used to promote events, collect payments, and serve as an electronic bulletin board exclusively for the SAAIS and District 12. The website is not designed for newcomers to Al-Anon, but rather to serve as a portal to supply better communication among SAAIS and District 12 members.

Closing

Next Meeting: The date, time, and location of the next meeting will be announced later.

The meeting adjourned at 10:10 AM.

Mike B., Secretary
